

Mata Kuliah

PEMROGRAMAN WEB

Untuk Mahasiswa Semester 4 2013/2014, Pertemuan ke -6

RAUF FAUZAN

Email : 1. rauffauzan@gmail.com

No HP : 085720171914

✓ OBJECT [element input]

- **Object Text**
- **Radio Object**
- **Checkbox Object**
- **Textarea Object**
- **Select Object**

OBJECT

Menampilkan hasil inputan dari form, menggunakan fungsi tanpa parameter :

document.nama_form.nama_fungsi_form.value

Menampilkan hasil inputan dari form, menggunakan fungsi parameter :

form.nama_fungsi_form.value

OBJECT TEXT

OUTPUT :

Textfield and Textarea Object

Name :

df

adf

Address :

SEND

RESET

Output

Your Name :

df

adf

Your Address :

TEXTFIELD AND TEXT AREA → FILE NAME : objectText.html

```
<html>
<head><title>text, radio, checkbox, textarea and select object</title></head>
<body>
<script language = "JavaScript">
  function text_field()
  {
    var strName = (document.fform.iname.value);
    var strAdd  = (document.fform.iadd.value);
    document.fform.otype.value = strName;
    document.fform.oadd.value  = strAdd;
  }
</script>
<form name = "fform">
  <H1>Textfield and Textarea Object</H1><hr>
  <PRE>
  Name      : <input type="text" size="11" name="iname">
  Address   : <textarea name="iadd" rows="3" cols="30"></textarea>
</PRE>
  <BR>
  <input type="button" value="SEND" onclick="text_field()">
  <input type="reset" value="RESET">
  <H3>Output</H3>
  <PRE>
  Your Name   :<input type="text" size="25" name="otype">
  Your Address :<textarea name="oadd" rows="3" cols="30"></textarea>
</PRE>
</form>
</body>
</html>
```

RADIO OBJECT

OUTPUT :

Radio box

☒ Woman
☐ Man

CONFIRM RESET

you're Women

Oke

Radio box

☐ Woman
☒ Man

CONFIRM RESET

you're Man

Oke

RADIO OBJECT → FILE NAME : objectRadio.html

```
<html>
<head><title>text, radio, checkbox, textarea and select object</title></head>
<body>
<script language="JavaScript">
  function radio_box()
  {
    var result = "";
    if (document.fform.gender.checked == true)
    {
      result = "Women";
    }
    else
    {
      result = "Man";
    }
