Do you know **who benefits** from a successful GRC* commitment ?

* [Governance, Risk & Compliance]

I know,

YOU do !

more than a **technology**,

GRC is primarily a **corporate culture**

that benefits all !

As **DIRECTOR**

and **member of the board**

+ GRC =

GAIN **visibility** over your risks and **ENSURE** sustainability of your business. **SHOW** transparency to reassure your markets and **MAKE** informed **strategic** decisions

As **Head of OPERATIONS**

+ GRC =

PROMOTE operational **excellence** with all BUSINESS AREAS and **ESTABLISH** an **improvement** plan of the performance. **ORGANIZE** a framework of automated controls to **ENSURE** the proper execution of your organization's **processes**

As **Chief Information Security Officer**

and head of **IT SECURITY**

+ GRC =

ENSURE maximum **protection** against potential losses in case of FRAUD, IS manipulation ERRORS and risk of **IT INCIDENTS**. **AUTOMATE** continous controls and **CONTROL** **identities** and **access** **compliance** management

As a **Risk** and **Compliance Manager**

+ GRC =

PROVIDE a relevant vision **of the risk** in your organization to the **MANAGEMENT, ASSESS** risks quickly and **PROPOSE** an adequate compliance improvement plan to **LIMIT** the exposure to risk of your organization and **QUICKLY REACT** to all threats

As a **Chief Finance Officer**

+ GRC =

IDENTIFY the elements aimed at **reducing costs** and **PREVENT** your direction on potential **financial** losses against risks taken by your business. **ANTICIPATE** cases of FRAUD and **CERTIFY** the accuracy of financial reports

As **internal AUDITOR**

+ GRC =

IDENTIFY **areas of non-performance** in the execution of your processes and accurately **DETERMINE** optimizations to reduce the risks while **ENSURING** the reliability of **internal controls** and **validity** of the **transactions**

At **Inventy**
We engage in an
efficient GRC procedure

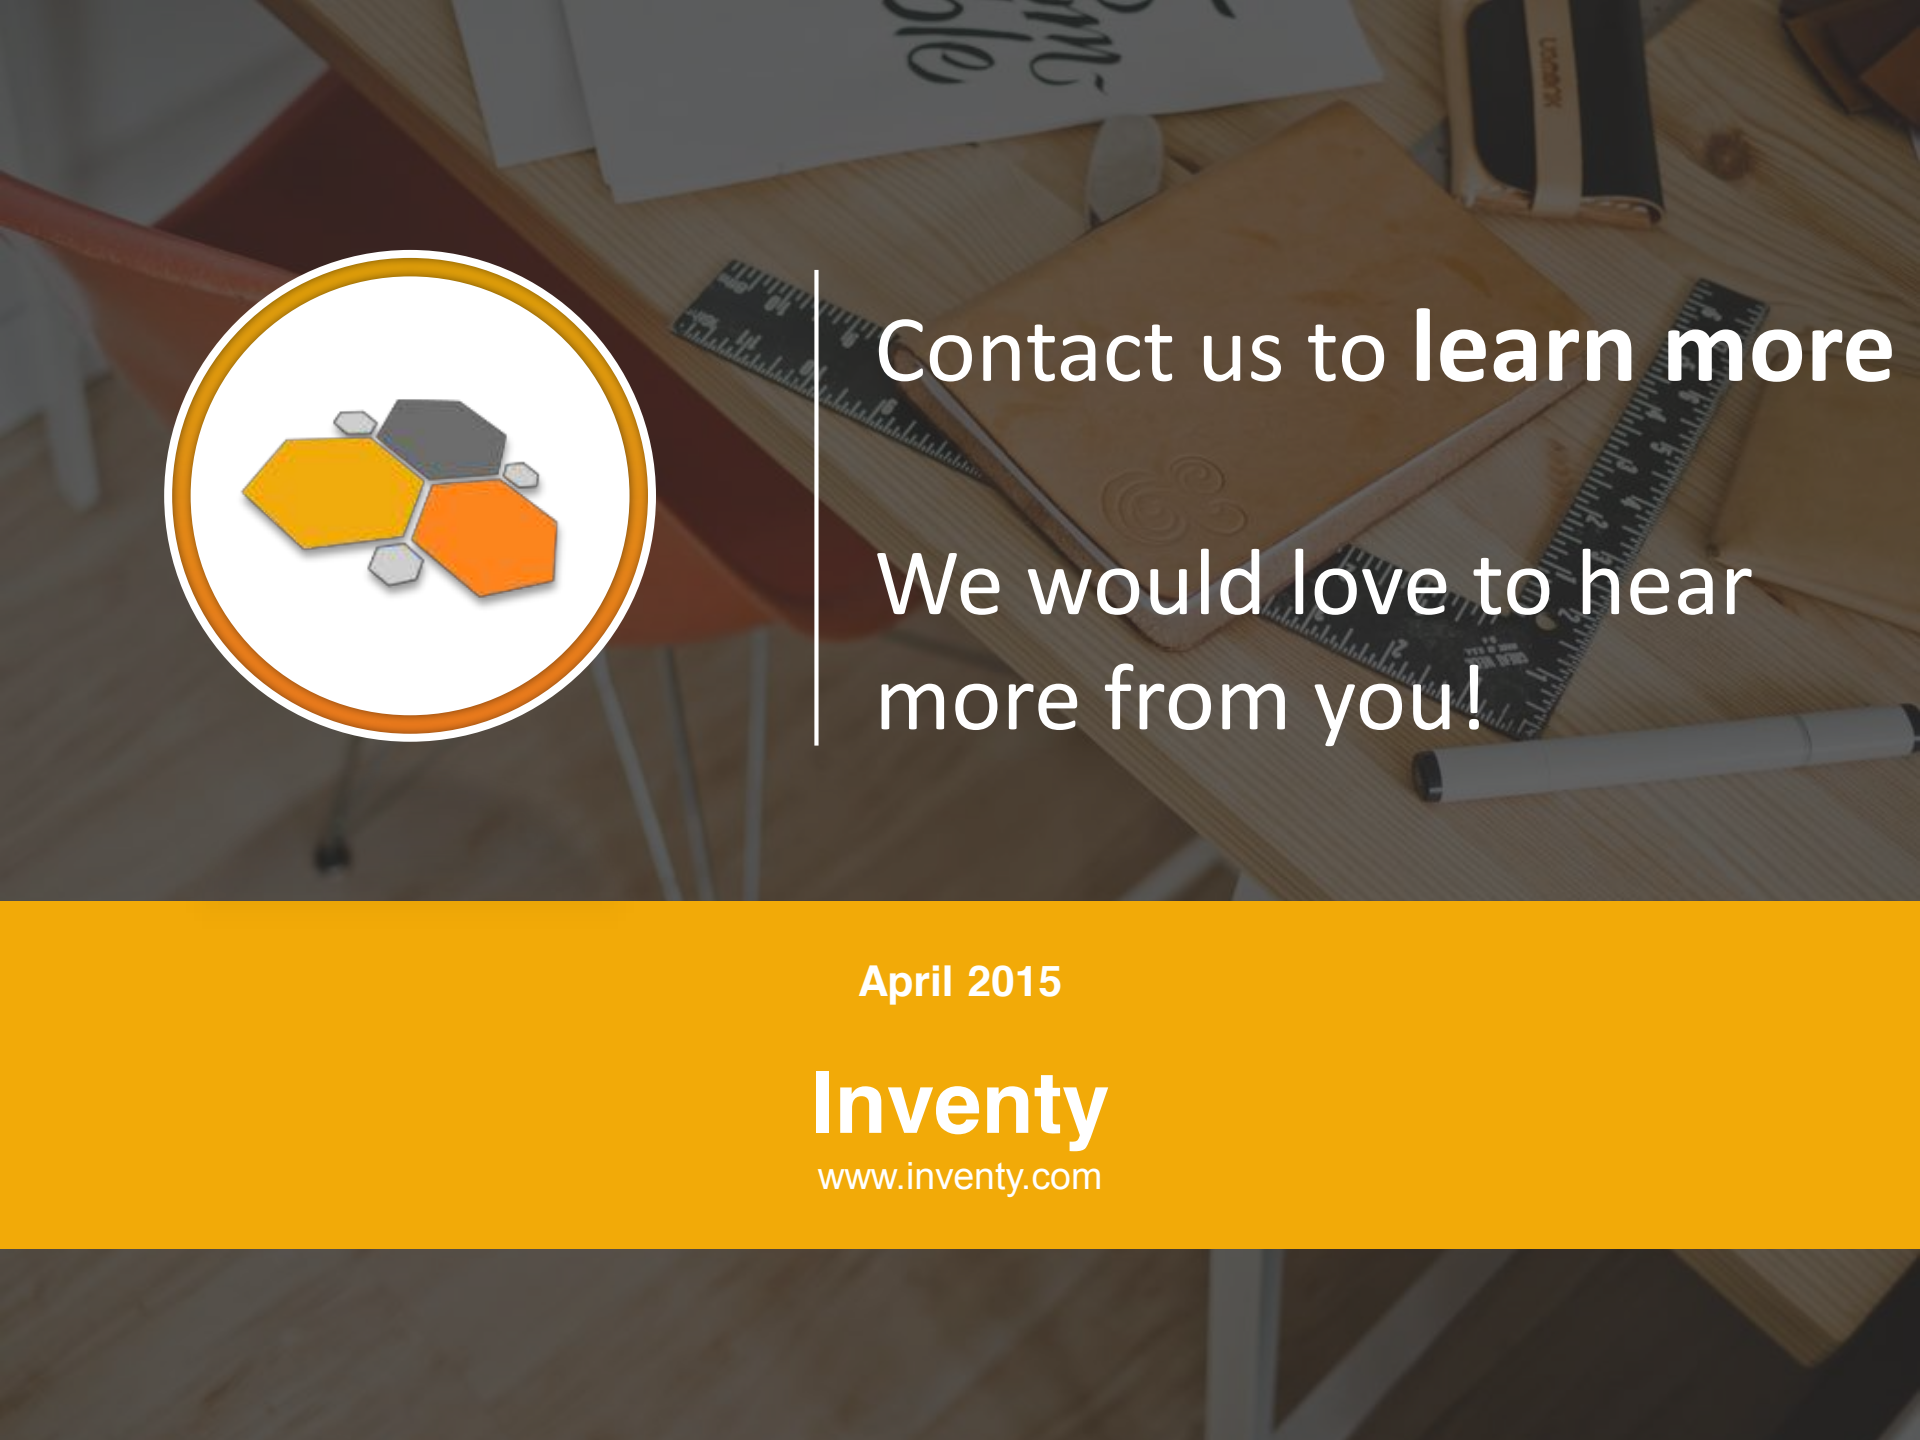

with ALL our clients :

Our **Commitment** ?

Make your **GRC experience** a **real competitive advantage** and build TOGETHER a culture of **RISK** to **TRANSFORM** behavior and **EMPOWER** at all levels
